Foreword

To my friends and neighbours,

I am honoured to be able to continue helping to build a stronger province for the people of Mississauga—Erin Mills. We are expanding hospitals and creating thousands of long-term care beds; providing historic investments in education and healthcare; creating opportunities for skilled trades, health care workers, and skilled immigrant professionals.

We are also pushing forward with our plan to Build Ontario. We have attracted billions of dollars in investments from sectors including the automotive industry. Shovels are in the ground for key infrastructure like the Highway 413 and the Hazel McCallion Line. We are supporting workers through new skilled trades programs, and keeping costs low by eliminating unnecessary fees and lowering taxes.

Amidst the uncertainty of high inflation, a housing supply crisis, and many other challenges facing everyday Ontarians, our government takes its responsibility very seriously. We know Ontarians are trusting us to deliver.

This year-in-review newsletter outlines just some of the many actions that the government is taking to fulfill our commitment. If you would like more frequent and detailed updates as they occur, I encourage you to sign up for my email newsletter by visiting my website.

Friends, you can rest assured of this: I will never stop fighting to make life easier and more affordable for you and your family.

Sincerely,

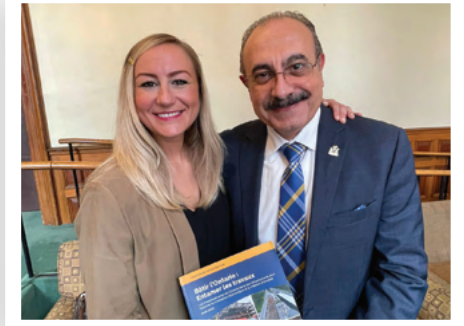

A handwritten signature in blue ink that reads "Sheref Sabawy". The signature is written in a cursive, flowing style.

1.5 MILLION NEW HOMES WITHIN 10 YEARS

More Homes for Everyone Act

- Increasing the Non-Resident Speculation Tax rate
- Reducing backlogs for the Ontario Land Tribunal and the Landlord and Tenant Board
- Expediting approvals for housing, community infrastructure, site planning, and zoning by-laws.

Strong Mayors, Building Homes Act

- Strengthening the ability of the mayors of Toronto and Ottawa to move priority projects forward and get more homes built faster

More Homes Built Faster Act

- Reducing prohibitive development charges that added about \$116,900 to the average price of a single-family GTA home in 2021
- Increasing penalties against unethical developers who unfairly cancel projects
- Building transit-oriented communities
- Allowing medium-density housing on existing properties without municipal by-law amendments

Better Municipal Governance Act

- Ensuring continuity and stability at the regional level by reforming the regional chair appointment process
- Appointing facilitators to ensure municipalities are equipped to tackle the housing crisis

Getting Shovels in the ground for the Hazel McCallion Line

Building a new 128-bed LTC Home in Mississauga

“It is my great honour to serve a second term, representing the people of Mississauga—Erin Mills at Queen's Park.”

Ontario's Plan to Build

1. Rebuilding Ontario's Economy

- Attracted game-changing automotive sector investments (\$16 billion over the last two years)
- Supporting high-speed internet access to every community by 2026

2. Supporting Workers

- Increased general minimum wage to \$15.50 per hour as of October 1, 2022
- Implemented protections for digital platform workers
- Investing in employment programs and skilled trades
- Allowing ODSP recipients to keep more of the money they earn by increasing the monthly earnings exemption from \$200 to \$1,000 per month.

3. Building Highways and Key Infrastructure

- \$158.8 billion over next 10 years
- Building Highway 413
- Building the Hazel McCallion Line (Huronario LRT)
- Building the Ontario Line
- Widening Highway 401
- New interchange at intersection of Hwy-427 and QEW

Budget continued + Education

4. Keeping Costs Down

- Eliminating license plate renewal fees
- Cutting gas tax by 9 cents per litre until December 31, 2023
- Average \$300 in Personal Income Tax relief to 1.1 million taxpayers, through the Low-Income Individuals and Families Tax Credit
- Lowering child-care fees for parents with a \$13.2 billion agreement — \$10/day child care by September 2025
- Providing \$185 million in income tax relief for 5,500 small businesses over the next three years

5. A Plan to Stay Open

- Provided Ontario nurses with a retention incentive of up to \$5000 per person
- Launched the Learn and Stay Grant for up to 2,500 eligible postsecondary students in priority programs to work in underserved communities after graduation
- Investing \$230 million in 2022–23 to enhance health-care capacity
- Building the new, state-of-the-art Mississauga hospital
- Expanding the Queensway Health Centre

“Ontario’s Learning Recovery Action Plan for Students”

- \$175 million of catch-up payments: offering parents \$200 or \$250 per child
- New Online Learning Courses
- Modernized curriculum focused on life skills
- \$304 million of additional staffing supports through the COVID-19 Learning Recovery Fund

\$10/day Child Care by September of 2025

The government of Ontario secured a fair deal for Ontarians by signing a \$13.2 billion agreement with the federal government, in an important step towards lowering child care fees for parents.
